ABOUT US:

The Hereford Faith & Life Church (HFLC) is a mid-sized church with a congregation of approximately 200. We believe God has called us to love, encourage and empower people to experience faith and life in Jesus Christ. Our mission compels us to have an outward focus on reaching people who are in our neighborhoods and communities who need to see Christ in us – loving and serving them just as Jesus would. Our mission motivates us to not “play church” – but to be an authentic community of faith that loves God, loves each other, and loves people – especially those God has placed in our sphere of influence.

We are located in the “Hereford Zone” (HZ) in Monkton, Md., 21111 and are conveniently located off of interstate I-83 about 25 miles due north of Baltimore City in the downtown area of the rural community of Hereford. Our area is home to many young families with children aging from preschool through high school. Our campus contains multiple worship and educational facilities, including our new multi-use Family Life Center building. The HZ is a growing area with great outreach opportunities to help people experience faith & life in Jesus Christ.
