

HORSEBACK RIDING LESSONS FOR LOW INCOME CHILDREN

HELP SUPPORT THIS PROGRAM IN PARKTON FOR LOW INCOME CHILDREN

Karen Rainey, who attends church here at Hereford Faith and Life, directs a program for the Schuster Foundation on the Old Bacon Hall Farm, located about ten minutes from the Church on Cedar Grove Road. This program allows low income and inner-city kids, whose transportation is arranged by the Schuster Foundation, to experience the care and riding of horses. Karen provides healthy snacks for the children while at the farm. Karyn is asking for our prayers and support in the following ways:

- 1) Prayer support for children and volunteers.
- 2) Donations of healthy food ~ granola bars, cases of water, juice boxes, string cheese, apples etc.
- 3) Volunteers age 18 and up
 - a) people with some horse experience
 - b) bakers for homemade treats
 - c) people who would be willing to watch the end of the lesson to encourage the children by cheering and clapping.

Donations can be dropped off in the Family Life Center on or near the Missions Table that right outside classroom #1. Anyone who would like to volunteer at this mission should contact Karen Rainey at vgallop@icloud.com or speak to her at church on Sunday mornings.
